Note: * 1 Currently applicable agreements between China and the former Socialist Federal Republic of Yugoslavia.

* 2 Currently applicable agreements between China and the former Czechoslovak Republic.

* 3 The Agreement between China and the European Union on the Reciprocal Exemption of Short-term Stay Visas for Holders of Diplomatic Passports applies.

Visa-free entry does not mean that you can stay or reside in the treaty country indefinitely. According to the requirements of the agreement, after holding a passport for visa-free entry, you are generally only allowed to stay for no more than 30 days. If the holder needs to stay for more than 30 days, they should apply for residence procedures in the local area as soon as possible according to the requirements.
